Shakespeare

All about William Shakespeare

- Born 1564
- Died 1616 (400 years ago this month)
- His birthday is on April 23rd the same day as St George the patron saint of England.
- He wrote many famous plays including Richard 3rd, Hamlet, Macbeth and Twelfth Night.
- He had a major influence on the English language many words and phrases we used today were made famous by Shakespeare. E.g. "With bated breath & A forgone conclusion."

What we want to find out about you...
