T: Hi!

R: Hello, can I help you?

T: Yes, I'm from Spain and I'd like to have some information about Italy.

R: Okay, well, here the most popular places to visit are historic places, like Rome or Venice, for example.

T: What about typical food?

R: Oh, I think you know that here the most typical food is pasta and pizza. They're our speciality!

T: Yes, I knew that. What do you recommend to me?

R: I think raviolis are a good choice, and pizza margarita, too.

T: Okay, I'll try them!

R: In Venice, one of the most important events is the carnival. Everyone wear masks and fancy dresses. It's so funny and mysterious!

T: When is it?

R: This year, from the 30 of January to the 9 of February

T: Okay, I take note of all of this things. Thank you so much!
